- **You show** your children that school matters, and that you are invested in their success.
- **You demonstrate** to your child that success in school is the pathway to college, a career and a productive life!
- **You partner** with the principal, teachers and staff to make your child's school safe, welcoming, a hub of learning, and a fun place to be.
- **You share** in campus events and experiences that make your child's school days more memorable!
- **You connect** with other parents, and become part California State PTA and National PTA, the largest and most powerful children's advocacy organization in the country.
