Adopted October 2013

The mission of the Yukon Elementary PTA is to create the best learning environment at Yukon Elementary School. We want to stimulate a love of learning and school in each student. To achieve this goal we will support student enrichment programs, sponsor family events & and encourage parents, teachers and the community to become members of the Yukon Elementary PTA.

Our Core Values

- ★ Yukon Elementary PTA is a professional, non-profit volunteer organization committed to the well-being of all children.
- ★ We believe every adult has a responsibility to ensure that all children develop to their full potential.
- ★ We believe parents are children's first teachers and that parent involvement is essential throughout a child's educational experience.
- ★ We believe that family is the basic unit of society responsible for the support and nurturing of all children, and we recognize that "the family" may be defined in many ways.
- ★ We believe our responsibility includes advocating for the safety and welfare of all children and the opportunity for a quality public education for each child.
